# Questions

Investigate the map, then answer these questions in your project book.

1. Why do you think the Saxons, Angles and Jutes attacked the east coast?
2. How do you think the Saxons, Angles and Jutes travelled?
3. What obstacles did the Saxons, Angles and Jutes face coming inland?
4. Why might some of the Saxons and Jutes have sailed around to the south coast of Britain to invade?
5. What different geographical obstacles might the Viking invaders have faced compared with the Anglo-Saxons?
6. How might the Viking invaders have used rivers to help them travel inland?
7. What reasons might the Normans have had for choosing this route across the English Channel?
8. Why might the Normans have marched their army in a big loop to attack London from the north?
