

# Anglo-Saxons settle

Use the information from the video and the information sheet to answer these questions in your project book.

1. Where did the Anglo-Saxons settle in Britain?
2. How did the invasion and settlement of the Anglo-Saxons impact Britain? List at least **five** examples.
3. Why did the leaders of the Anglo-Saxon kingdoms battle against each other?
4. What were the consequences of these battles?
5. Why did King Offa build a dyke on the border of Wales?
6. Use the list of place name endings and an atlas to find evidence of Anglo-Saxon place names that exist today.
