

# Class 2's

## (Year 3 and Year 4)

### Anti-bullying Policy 2021 -2022

We CARE

Welcoming all Community Achievement Respect Encouragement

In Class 2, we think that everyone is different and should be treated that way.

Bullying is where a person or people makes other people feel sad or unhappy to hurt them; not once but on different occasions.

Bullying is:

- Intentional (they know they are doing it)
- Repetitive (again and again)
- Hurting (to hurt or upset someone)

To make sure we don't see this in our school we will choose to:

... be kind and make sure others join in at playtime

... tell an adult if I see someone being bullied

... respect that other people are different

... treat other people as I want to be treated

... stand up to bullies

... step in and defend anyone who is being bullied

...use ONE KIND WORD in school to others

**... so that we are united (together) against bullying.**
