## Youlgrave, All-Saints CE Primary School

## Maths Long Term Plan

## Cycle A

| Class        | Autumn 1           | Autumn 2           | Spring 1             | Spring 2            | Summer 1           | Summer 2          |
|--------------|--------------------|--------------------|----------------------|---------------------|--------------------|-------------------|
| Class 1 – Y1 | Place Value (10)   | Addition /         | Place Value (20)     | Place Value (50)    | Multiplication and | Place Value (100) |
|              |                    | subtraction (10)   | Addition/subtraction | Length and height   | division           | Money             |
|              |                    | Shape              | (20)                 |                     | Fractions          | Time              |
| Class 1 – Y2 | Place Value        | Addition and       | Money                | Length and height   | Fractions          | Statistics        |
|              |                    | subtraction        | Multiplication and   | Mass, capacity and  | Time               | Position &        |
|              |                    | Shape              | division             | temperature         |                    | direction         |
| Class 2 – Y3 | Place Value        | Addition and       | Multiplication and   | Fractions A         | Fractions B        | Shape             |
|              |                    | subtraction        | division B           | Mass and capacity   | Money              | Statistics        |
|              |                    | Multiplication and | Length & perimeter   |                     | Time               |                   |
|              |                    | division A         |                      |                     |                    |                   |
| Class 2 – Y4 | Place Value        | Addition and       | Multiplication and   | Fractions           | Decimals B         | Shape             |
|              |                    | subtraction        | division B           | Decimals A          | Money              | Statistics        |
|              |                    | Area               | Length & perimeter   |                     | Time               | Position &        |
|              |                    | Multiplication and |                      |                     |                    | direction         |
|              |                    | division A         |                      |                     |                    |                   |
| Class 3 – Y5 | Place Value        | Multiplication and | Multiplication and   | Decimals and        | Shape              | Decimals          |
|              | Addition and       | division           | division B           | percentages         | Position &         | Negative numbers  |
|              | subtraction        | Fractions A        | Fractions B          | Area                | direction          | Converting Units  |
|              |                    |                    |                      | Statistics          |                    | Volume            |
| Class 3 – Y6 | Place Value        | Fractions A        | Ratio                | Fractions, decimals | Shape              | Themed projects,  |
|              | Addition and       | Fractions B        | Algebra              | and percentages     | Position &         | consolidation,    |
|              | subtraction        | Converting Units   | Decimals             | Area, perimeter     | direction          | problem solving   |
|              | Multiplication and |                    |                      | and volume          |                    |                   |
|              | division           |                    |                      | Statistics          |                    |                   |
