When we ...

- Arrive in school in the morning; we have to wash our hands.
- Are in our bubbles; we always have a smile and chat to our friends
- Cough, we catch it in our elbow; and then we have to wash our hands
- Sneeze, we have to 'catch it, bin it and then kill it'; put our tissue in the lidded bin and then wash our hands
- Go for our lunch; we have to follow the arrows and then stay on the lines to keep our (2m) distance

We ...

- Have our windows open so we can have lots of fresh air in our classrooms
- Stay in our bubbles to keep our (2m) distance
- We have to wash our hands a lot during the day
- Talk though and look at pictures of what is going to happen in the day
- Always carry a smile in our pockets; or tuck them up our sleeves
- Are always kind and caring to our friends
- Go to the toilet one at a time

If we ...

- Have a little worry we can tell an adult, put our worry into the worry box or talk to our worry dolls
- Come to school in a morning feeling worried, we can ask to have a little chat
