Dear Parents & Carers

We are pleased to share Mrs Askew's news that she will be starting her own new business venture in summer. She will be running her own village shop with food and drink to go and all sorts of goodies in a fantastic setting. This is an amazing and well-deserved opportunity for her to showcase her talent as an entrepreneur.

Anne has talked about this ambition for a long time and it is wonderful to see her chasing her dream. Anne will be leaving her job in school at the end of the academic year and while it is super exciting for Anne it is of course a little sad for school too. Anne has worked so hard for school for six years, she is incredibly skilled, solves everyone's problems and works at the speed of light. She has a brilliant sense of humour and who could ever forget her infectious laugh.

We will of course let you know our plans going forward for school as soon as possible and I am sure you will join us in congratulating Anne and wishing her every success.

Yours sincerely
