

## Youlgrave Bowls Club

Youlgrave Bowls Club is a well-established club and new members of all ages, both male and female, are most welcome for either social or competitive league bowling. There will always be an existing member available during the season to make you welcome, and there are bowls at the pavilion for you to use. Light refreshments are available.

The bowling season starts at the start of British summer time and ends at the end of September.

Anyone who requires further information can contact our chairman Paul Sansom on 01629 636712
